

WILLUNGA 100

Our Story

For 18 years, Willunga 100 has led the way in crafting unoaked, single-vineyard Grenache from Blewitt Springs, McLaren Vale. The region's cool climate and sea breezes deliver a long, even ripening season.

Our Single Vineyard Range highlights the most expressive fruit from our three sites across Blewitt Springs and Clarendon, while the Estate Range showcases the character of McLaren Vale and our Blind Spot Vineyard.

Before our first vintage in 2005, we discovered 50-year-old Grenache vines once used mainly for blending. Recognizing their potential, we made them the heart of Willunga 100's story.

Grenache's versatility has secured its place as one of the world's great wine grapes. From its Spanish roots to its prominence in French blends and its growing popularity in Australia, Grenache continues to enchant wine lovers with its diverse expressions.
