

The perfect
way to
celebrate.

The Riverview Hotel

Located in a beautiful tree-lined street in the heart of Balmain, our unique venue has become a beacon for those wanting to create a unique indoor event designed especially for their requirements.

The Riverview Hotel was founded in Birchgrove in 1880 and was built at the very pinnacle of the 19th Century Balmain pub boom.

The perfect way to celebrate.

Whether you're hosting a laid back gathering, or a formal or corporate event, we have the flexibility and a space for your special occasion. The hotel can cater for smaller, more private gatherings, for up to 10 guests as well as larger groups of 125 people, subject to seating configuration.

Specialising in private functions and bookings, The Riverview has several function spaces available to suit your requirements.

The Birchgrove Restaurant, Private Dining Room and The Lounge offer unique spaces with exclusive backdrops which can be tailored to suit specific requirements and are readily available for private use.

Our function menus enable you to have an event catered with an ideal balance of contemporary pub bistro and fine dining. Our menus offer a wide range of delicious options including à la carte, two and three course set menus, canapés, pizza boards, high tea or a whole suckling pig.

The Birchgrove Restaurant

The beautiful space upstairs looks down onto quiet tree-lined streets in Balmain. The restaurant boasts a gorgeous contemporary interior design, with heritage listed windows dating back to 1880 that fill the space with natural light.

Depending on the seating arrangement you require, this exquisite event space is completely self-contained with it's own secluded courtyard, private bar and bathroom facilities. It is the perfect setting for engagement parties, weddings, christenings, media lunches and business events.

Afternoon High Tea

The British Tradition of High Tea began in the mid-1700s as an afternoon meal usually served between 3 and 4 o'clock. Cakes, scones and sandwiches would be served as a light meal before attending the theatre or playing cards.

Today, the practice of serving High Tea continues with the modern 'Lady of Leisure' enjoying a high tea at bridal and baby shower, gathering with best friends to celebrate a hens party or birthday party and sampling delicious cakes and pastries. At the Riverview we are offering a menu that is keeping up with the traditional High Tea staples, but also has a few little twists and turns to keep things fresh and interesting.
